3. Accessibility to reach destination

The cheapest way to fly if from Eindhoven Airport. Chopin airport is the closest to the city. You can just buy a bus ticket in de busses.

4. University and studying

Could you provide some general information about the followed courses?

	Course	ECTS	Short description of the contents	Appreciation of course: 1(low) – 5(high)	Remarks
1	theatre	3	You have a play at the end of the semester	3	The course was only held in Polisch and I could not understand a thing they were saying. At the beginning a student helped me by translating, but after a while that also stopped. I really like theatre that is why I still marked it a 3 instead of a 1.
2	International marketing	3	Proff provides a lot of information about different topics	4	Nice course and easy to understand
3	Social Media strategy	3	Basic economics	1	The professor is way to boring
4	Tools and Tech	3	Learn to edit pictures and make posts	4	Nice to learn, teacher was oke
5	Marketing of countries	3	Different examples of different countries	3	Not that usefull because students gave every lecture multiple presentations instead of the teacher
6	Workshop Creative writing	3	Learn how to write a feature	4	It is fun to challenge yourself to write like a journalist
7	Facebook and Instagram	5	Tips and tricks	5	Super useful, professor was really good!
8	Introduction to digital marketing and e-commerce	3	See course title	4	She provides a lot of useful information
9	Workshop: Youtube & how to create video content	3	Learn how to edit video's	5	Super fun and interesting. Teacher is really nice

How is the study formalized? (E.g. study forms, academic level, examination, workload, lesson material)

I had a lot of practical assignments instead of exams. Some courses had a lot of homework and others had almost nothing

What is the culture of the university? (E.g. How approachable are the lecturers, engagement with local students? What are the differences with the WUR?)

The professors are really helpful. Even more than in Wageningen. It is easy to reach them. You do not meet a lot of Polisch students.

What does the university offer the student additionally? (E.g. Catering, sports facilities, laundry facilities?)

There is a cheap place to eat in the hall of the building.

5.Housing-travelling-living

What are the possibilities for housing? (E.g. Availability to sign up for a room on campus, private rooms, rent rates?)

You have to find a room/ apartment by yourself

What is the culture of the country like? (E.g. Differences with home, local cuisine, habits, manners?)

Locals are not really friendly. If you ask kindly for help they will just say no in a really cold way

Could you give a general price indication of the place of residence compared to living in Wageningen?

You pay around 4 euro's for a cheap Asian meal or meal from a milk bar and around 7 euro's if you have a meal in a restaurant.

Could you give some information about public transport infrastructure? (E.g. Cost public transport card, taxi prices, how to travel to the university?)

Uni is in the city centre. So really easy to travel to. Public transport is really cheap but if you order a uber you often also only way around 2/3 euro's

6. Free time

I liked the planetarium

What does not appear in the travel guide, but is worth a visit?

Restaurant Bibenda
