How is the study formalized? (E.g. study forms, academic level, examination, workload, lesson material)

Oral exams are common in Italy.

What is the culture of the university? (E.g. How approachable are the lecturers, engagement with local students? What are the differences with the WUR?)

At the WUR it is clear what you are supposed to learn for an exam

Don't be on time in Italy

Could you give a general price indication of the place of residence compared to living in Wageningen?

Almost everything is similar, but renting a place with a bed is expensive and eating out can be cheaper.

Could you give some information about public transport infrastructure? (E.g. Cost public transport card, taxi prices, how to travel to the university?)

22 euros a month for public transport and download wetaxi, don't use Uber.

6. Free time

What are must-sees in the area? (E.g. nearby destinations, how do you prefer to travel, when to plan?)

Napels is a special city, probably the least European city within Europe that I know.

Do you have general tips and tricks about leisure time (E.g. recommendations for restaurants, going out?)

Don't eat at touristic spots, obviously. But many people still don't get it. One of my favorites is fonderie for aperitivo.
