2. Motivation for exchange

Why did you choose to go on study exchange?

Because I wanted to experience what it would be like to live and study in a foreign country for a longer period of time.

What is the reason you chose for this country/university?

I really wanted to go and study in Italy because I love the country. However, if you were to go for the education, I would not pick this university in combination with the faculty.

3. Accessibility to reach destination

Do you have any tips to reach your exchange destination? (E.g. bus, train, etc.)

It is pretty accessible by train but I would recommend to plan out how to reach your apartment/final destination in Milan itself before going there since the public transport system can be very overwhelming when you arrive.
